

CERTIFICATE OF ORIGIN

BP Protease

Version 19 May 2019

COUNTRY OF ORIGIN

BP Protease, Catalog #003-1000 and #003-2000 are manufactured entirely within the United States by VitaCyte LLC.

STATEMENT OF ANIMAL ORIGIN

The media used to propagate the *Paenibacillus polymyxa* organism utilizes only synthetic and plant based media components. The culture supernatant from this fermentation is recovered and used as the starting raw material for the purification of BP Protease. No animal derived materials are used or come into contact with BP Protease during any step of the manufacturing process.
