

CERTIFICATE OF ORIGIN

Animal-Free (AF) Thermolysin

Version Aug 2025

COUNTRY OF ORIGIN

AF Thermolysin, Catalog #002-3000 is packaged in the United States by VitaCyte, LLC.

STATEMENT OF ANIMAL ORIGIN

AF Thermolysin is sourced from a Japanese biochemical reagent supplier using only animal origin free fermentation media components of the *B. thermoproteolyticus* 'rokko' organism. No animal derived materials are used or come into contact with the AF Thermolysin during the purification or packaging process.
